**TO: OUR WONDERFUL BRETHREN WITH US IN THE BATTLE!**

**FROM: Pastor John + Agape Bible Fellowship Family**

**Sadly, for the first time in 27 years, we are going to have to cancel our Spring, 2020 Spiritual Warfare Workshop.**

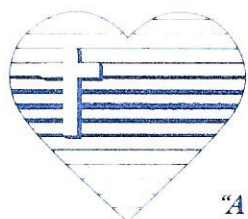

**Everyone, I am sure, has been keeping up to date on the news and the COVID19 ("19" from the year 2019 when it first began in China) which has now been labelled a true Pandemic.**

**This past Monday, the CDC even called for gatherings of no more than 50 people as their official recommendation. President Trump since then refined it to no more than 10 people. Desiring to be submissive to those in authority over us (Rom. 13 and so long as the Word of God is not contradicted nor our beloved Constitution), we will do just that and abide by their counsel. I do limited trust (like all humans) our Commander-In-Chief.**

**Of course, the safety and well-being of the Lord's sheep always come first with me. While I am firmly committed to Psa. 91 truth, I never want to presume on God's grace and step out where proverbial fools tread (as the idiom goes). I limited trust those I know but not those I don't know (visitors who attend and which Workshops attract); refusing to put myself or others in danger.**

**I, and leaders in our sister Churches, have warned of those days coming when Workshops may no longer be available. While we hope to see you in June at our Summer Conference; only our God and His Son ultimately know what's ahead. So, be ferently praying for the leadership of and for our nation and the remnant!**
